

CUMULY

7763

Modern design - the ultimate in comfort

All Cumuly recliners offer the choice:

L

Adjustment of the footrest and backrest by body pressure. The height of the footrests can be freely selected in two different positions!

S

Adjustment of the footrest by body pressure. Adjustment of the backrest using an internally positioned actuating loop for safe stepless fixture.

**Z
E**

Separate adjustment of footrest and backrest by means of individual motors, without any mains cable. The Cumuly is equipped as standard with **storage battery**. (Variant "E" has no storage battery)

Headrest with adjustable inclination

Choose the seating comfort level to suit your needs at the same price!

superlastic
soft med plus

Soft and yielding seating comfort chosen by those who prefer a more supple, cosy upholstery feel.

Medium firm seating comfort combines pleasantly elastic padding comfort with greater support.

Slightly firmer seating comfort with sprung interior, ideal for those who prefer to sit upright and enjoy greater support.
