#### Why massage?

2/3 of the German population suffer from the country's number one disorder - back pain! The CUMULUS massage relaxation recliner helps to restore normal performance by loosening muscles, relieving tension and promoting circulation by using its Shiatsu massage technique.

#### Massage for body and soul!

Whether tensed shoulders, back pain, circulation problems or stress - massage can help! Massaging supports the necessary process of mental and physical relaxation, ensuring optimum recovery and recuperation for the whole body.

#### Summary:

Anyone aiming to stay active and retain their vitality to a ripe age cannot afford to dispense with regular massage!
